## **ASP**

### **CPP (Presented by CPP Liason)**

#### **Clarification for Categories:**

**For the purposes of image competition in MOPPA, categorization of images should use these guidelines if unsure:**

**Portrait: Image should be mainly photographic in nature. Subcategories will include:**

Newborn

Senior

Man

Woman

Child

Families/Groups (if wedding, please categorize as wedding image)

**Illustrative: Subcategories will include (and must be photographic in nature):**

Landscape

Still Life

Architecture

**Wedding: (photographic images):**

\*Wedding Category must only include images **taken from an *actual* wedding day** event. In the interest of fairness, styled shoot images will not be eligible. Images from styled shoots may be placed in the regular portrait categories.

Wedding category images may include:

Bride

Groom

Bridal Party

Candid

Details

**Creative Open/ Artist:**

The Creative Open/ Artist category shall include any image that no longer is photographic in appearance, to include painted images, composites, and

restorations. Reference images should be included with submissions as part of the image presentation.

If anyone should have any questions regarding image submission and categorization, please contact MOPPA for clarification.
